

Has Solved the Fuel Problem.

The public is invited to witness the free demonstration of The Famous Gas Generator now going on at No. 710 East Broad Street, and see how an ordinary stove or furnace can be heated without the use of coal or wood, thus doing away with dirty coal ashes and soot, and at the same time producing heat at less than half the cost of coal or wood. The ladies are especially invited. In order that the working people may see this wonderful Burner in operation the store will be kept open until 10 P. M. daily.

THE CONSOLIDATED BURNER COMPANY desires to arrange with some local party to manufacture and install this marvelous Burner in Richmond, and with that end in view, their attorney, Mr. V. C. McAdoo, and demonstrator, Mr. J. D. Victory, are here to confer with any one who may wish to grasp an extraordinary opportunity to engage in an exceedingly profitable business. We are only here for a few days, and would be glad to meet any one who may be interested.

CONSOLIDATED BURNER COMPANY, V. C. McAdoo.

MEN WANT TO GET INTO REAL ACTION

Newnham's U. S. Leaguers Defeat Suffolk High School Team.

(Special to The Times-Dispatch.) Suffolk, Va., April 23. (Camp Richmond)—Newnham's United States Leaguers defeated the Suffolk High School team this afternoon. It was nerve the High School boys had to buck the big fellows, but they went at them like they wanted to win. Bradshaw, of the young ones, pitched hard, and seemed to have the stuff, and during the last state of the game settled down and support rallied to him.

Sox Seybold led off with the first hit of the game, and McFarland struck out in the first inning. And when Mac struck out the bleachers took a second time at the pitcher that did it.

McFarland generally goes after two-base hits.

In the second Lothrop singled, and Proul lined for two bases, followed by a stiff single by Hoffman, scoring both men.

The Suffolk team had its best chance to score in the first inning. Butler lined one to Hoffman, who threw near the ground and Robinson errored.

Horton singled, Jones sacrificed, the pair up one place each. Lothrop struck out the next two up, and left two on bases for the youngsters.

In the sixth Jones, catcher for Suffolk, broke his finger on a foul off O'Hare's bat. Coldness, of the Richmond squad, took his place. He gladly relieved Lothrop in the sixth, and Bill Taylor pitched the ninth.

Newnham and Proul pulled off some snappy stuff, and Proul and MacFarland were slated with two-baggers each. Burt Blue can still be seen catching on the side line. Blue is in good shape, and may be seen in tomorrow's game with the Collegians.

and Taylor and Clyde will go on the mound for the leaguers. On Friday Newnham's picked team will meet the All-Star team of Norfolk and Dave Robertson, who made such a record at A. & M. College and in the Tulare water league, and who, it is reported, has recently signed with McGraw's Giants, is expected to pitch. The All-Stars have wired him to come. Newnham is pleased with his crew, and the men are impatient to get into real action.

(Special to The Times-Dispatch.) Raleigh, N. C., April 23.—Trinity College defeated Wake Forest College today in a rather slow ball game on the A. & M. College diamond by a score of 6 to 4. Trinity knocked Underwood out of the box in the second inning, and he was succeeded by Cates.
